All events and rules of the German Kennel Club have to be in full accordance with the German Law.

**Vaccination Document/Pet Pass:** The dogs being brought to an event (show) must have a proof that they have been vaccinated against rabies at least three weeks before the start of the show (bring vaccination documents/EU pet pass). The rabies vaccination is valid for 12 months from the day of the vaccination. If a longer period is to be made valid, then this extended period must be noted officially in the vaccination documents or in the pet pass in the field marked „valid until “. If a dog receives a re-vaccination against rabies within the validity period, then the so-called 3-week deadline no longer applies. For primary vaccinations, the dog must have been at least three months old at the time of the vaccination and the vaccination must have taken place at least 21 days before the event.

The owners of exhibited dogs are liable for all damages caused by their dogs.

Exhibitors acknowledge that qualifications and placings awarded by the judge are incontestable and shall not be subject to review. Public expressions of criticism or insults directed at judges are impermissible.
